I Needed The Quiet

*I needed the quiet so He drew me aside
Into the shadows where we could confide.
Away from the bustle where all the day long,
I hurried and worried when active and strong,
I needed the quiet tho at first I rebelled,
But gently, my cross He upheld.
Tho weakened in body, my spirit took wings,
To heights never dreamed of when active and gay,
He love me so gently He drew me away.
I needed the quiet, no prison my bed,
But a beautiful valley of blessings instead.*
