*We didn't want to give up; we'll miss that smile on your face,
But comforted are we by the thought, in heaven you will take your place.*

*We didn't want to give you up, your passing is making us sad,
But still we're consoled with this thought, in heaven you will be glad.*

So comforted are we by this thought, to be in heaven is the best.*

Sleep On Brother

Sleep on dear brother, rest has come at last. You have been reunited with our mother. It all happened so fast. We will remember our days of running in the sun. The good times we had when our chores were done. When we think of you each day, we will remember you this way. We will weep a while to ease the pain, but our love for you will stay the same. Mama and Papa will meet you at the gate, so don't look back so you won't be late. We will see you again one day, and what a glorious day it will be and we'll have a reunion of the McNair Family.

We love you,
Kat, Patsy, Richard and Jamie
